ON NOVEMBER 7TH, LEADERS OF THE ZHOUKOU MUNICIPAL GOVERNMENT VISITED YANYI GROUP FOR INSPECTION AND COMMUNICATION.

On the day of the Beginning of Winter, a group of leaders from the Zhoukou Municipal Government, like the warm winter sun, visited Yanyi Group and carried out a strategically significant inspection and exchange. This visit is not only an in-depth inspection of Yanyi Group's comprehensive strength, but also marks a new starting point for Yanyi Group and the local government to jointly explore industrial cooperation and promote the high-quality development of the regional economy.

The reception team of the group introduced in detail the company's development history, strategic planning, and business layout to the visiting leaders, and led them to visit the product exhibition hall and production line. They also provided a detailed introduction to the business situation of the group's urban development sector and industrial investment sector. The leaders of Zhoukou City highly affirmed the comprehensive strength of the group and expressed their hope that in the future, a deeper level of cooperative relationship can be established in many fields such as project investment, industrial introduction, asset revitalization, and engineering subcontracting. They aim to jointly promote the optimization and upgrading of regional industries and achieve the coordinated development of the regional economy and industrial ecology.

ON NOVEMBER 8TH, A GROUP OF SENIOR EXECUTIVES FROM THE COMPANY PAID A VISIT TO TONGFU GROUP TO EXPLORE NEW OPPORTUNITIES FOR COOPERATION IN THE INTEGRATED DEVELOPMENT OF URBAN AND RURAL AREAS.

At the invitation of Tongfu Group in Shijiazhuang, the chairman of Yanyi Group, accompanied by several senior executives of the group, paid a visit to Tongfu Group in Shijiazhuang. The purpose of this visit was to gain an in-depth understanding of Tongfu Group's advanced models in the fields of the big health industry, integrated urban-rural development, and rural revitalization, and to seek points of convergence for business cooperation between the two sides.

The senior management team of Yanyi Group successively visited the Big Health Food Industrial Park in Luancheng, the Tongfu Best-selling Product Warehouse in Zhengding, and the Rural Revitalization Demonstration Park in Tayuanzhuang. Mr. Jia, the chairman of the group, stated that Yanyi's "urban development + diversified industries" strategy is highly compatible with Tongfu's "rural revitalization + supply chain innovation" model. The two sides have great potential for in-depth cooperation in areas such as integrated urban-rural development, smart logistics, and supply chain management. Future cooperation will focus on supply chain integration and the construction of a smart logistics system. Yanyi Group will join hands with Tongfu Group to jointly promote innovation and vitality in the regional market, effectively achieve a win-win situation in social and economic benefits, and bring more convenient modern services to residents.

SET SAIL WITH ENTHUSIASM AND GATHER STRENGTH FOR A NEW START - THE NEW EMPLOYEE TRAINING OF YANYI GROUP IN NOVEMBER 2024 CONCLUDED SUCCESSFULLY!

On November 22nd, the new employee training of Yanyi Group was held as scheduled at the group's headquarters in Hengshui. A total of 42 new colleagues from both online and offline participated in this training, aiming to help new employees quickly integrate into the group, lay a solid foundation, and inject more confidence and motivation into their future work.

During the event, the new employees were introduced to the group's development history, business structure and organizational structure. Moreover, the group's corporate culture, product lines and production processes were explained in detail to them.

In the sharing session at the end of the training, the new colleagues expressed their feelings about the training: "Through today's training, I not only got to know the company better, but also clarified my own direction. I'm full of confidence in my future in Yanyi!"

The group adheres to the people-oriented employment concept and attaches great importance to every new member who joins the group. The training is not only an opportunity to learn about the basic situation of the enterprise, but also a chance for team integration. The new partners are also full of enthusiasm and confidence, ready to work steadily in their new positions, give full play to their talents, and move towards a more glorious tomorrow together with the group!

ON NOVEMBER 26TH, THE INTERNATIONAL TRADE TEAM OF YANYI GROUP MADE AN APPEARANCE AT THE BIG 5, SEEKING NEW OPPORTUNITIES FOR GLOBAL DEVELOPMENT.

The Big 5 International Building & Construction Show, a top-tier event in the global building and construction materials sector, is being held in full swing in Dubai, the UAE. As the largest and most influential construction industry exhibition in the Middle East, this event has brought together over 1,500 exhibitors and tens of thousands of professional buyers from around the world, covering the entire industrial chain such as building materials, mechanical equipment, and construction technology. It is one of the most important communication and cooperation platforms in the industry.

The international trade team of Yanyi Group made an appearance at the exhibition once again. With professional and sincere services, they demonstrated the advantages of the group's products and the potential for cooperation with our company to global customers, winning high recognition from clients. Yanyi Group is gradually promoting its high-quality products and services to the global market!

ON NOVEMBER 26TH, YANYI INTERNATIONAL TRADE MADE A BRILLIANT APPEARANCE AT THE 2ND CHINA INTERNATIONAL SUPPLY CHAIN EXPO.

The 2nd China International Supply Chain Expo, themed "Connecting the World for a Shared Future", grandly opened at the China International Exhibition Center (Shunyi Venue) in Beijing. This top-tier event in the global supply chain field has gathered leading enterprises and cutting-edge achievements from around the world, demonstrating the collaboration, integration, and innovation across the upstream and downstream of the supply chain.

The expo is not only a platform for showcasing products and technologies but also a bridge promoting win-win cooperation within the industry. During the event, Yanyi Group actively participated in multiple special forums, discussing with leading enterprises in the industry about the future development path of digital and intelligent supply chains, laying a solid foundation for in-depth cooperation across multiple industries. Meanwhile, through interactions with global customers and partners, Yanyi further clarified its important role in the global supply chain network.

At this grand event, the international trade team of Yanyi Group, as an important exhibitor in the Healthy Life Chain, showcased multiple option-score products at Hall E2, fully demonstrating its outstanding capabilities in supply chain management and services.
