FROM OCTOBER 6TH TO 11TH, SENIOR EXECUTIVES OF YANYI GROUP GATHERED IN SICHUAN PROVINCE TO CARRY OUT TEAM - BUILDING ACTIVITIES.

As autumn deepened, the warm sun bathed Sichuan. In the early October of 2024, the senior executives of Yanyi Group gathered in Chengdu and embarked on a joyous and enriching team - building journey. During the trip, they admired the natural beauty of Jiuzhaigou and Huanglong, and also witnessed the grandeur of the Dujiangyan Irrigation Project. Strolling in these "fairyland - like" places, they took group photos, participated in interactive games, chatted with each other, and the atmosphere was extremely lively. Through this team - building activity, they further enhanced understanding and trust among themselves, narrowed the distance, and relieved the fatigue brought by work. This autumn team - building activity vividly reflects Yanyi Group's "people - oriented" management concept. While pursuing business development, the company continuously enriches employee benefits, achieving a high - standard balance between work and life.

ON OCTOBER 12TH, THE ZANHUANG EXCHANGE COMPETITION OF THE MLF (MAJOR LEAGUE FISHING) BASS FISHING LEAGUE, SPONSORED AND SUPPORTED BY YANYI GROUP, GRANDLY OPENED.

The 2024 Zhanhuang Exchange Competition of the MLF (Major League Fishing) Bass Fishing League grandly opened at the Tiantai Lake Fishing Base in Zhanhuang County, Hebei Province. As a grand event in the fishing community, this competition not only contributes to the local cultural tourism and ecological development but also highlights Yanyi Group's support for the cultural, sports, and tourism undertakings in Zhanhuang County, promoting the development and upgrading of the regional economy. The successful holding of this competition was reported by CCTV News, effectively enhancing the domestic and international popularity of the cultural and tourism brand of Zhanhuang County. By sponsoring such cultural and tourism projects, Yanyi Group has demonstrated its social responsibility. At the same time, it has integrated its own development with the regional economy, moving forward hand in hand.

ON OCTOBER 22ND, YANYI GROUP SUCCESSFULLY WON THE BID FOR THE NEW CONSTRUCTION AND RENOVATION PROJECT OF CHENGDE NO. 8 MIDDLE SCHOOL.

Yanyi Group has successfully won the bid for the new construction and renovation project of Chengde No. 8 Middle School. The main contents of the project include the construction of a new teaching building, dormitory building, cafeteria, auditorium, standard sports ground and grandstand, as well as the renovation of the art building, dormitory building and comprehensive building. The total investment of the project amounts to 130 million yuan, with the initial investment being 64.88 million yuan. This project will comprehensively upgrade the school's infrastructure and improve the teaching environment, providing teachers and students with higher-quality learning and living conditions. This is another important achievement of Yanyi Group in the field of educational infrastructure construction.

FROM OCTOBER 23RD TO 27TH, YANYI INTERNATIONAL TRADE MADE ITS APPEARANCE AT THE 136TH CANTON FAIR WITH ITS INNOVATIVE PRODUCTS.

The elite team of the International Trade Department of Yanyi Group attended the 136th Canton Fair and showcased a number of star products as well as product qualifications such as the American NFRC certification and the Canadian CSA certification. Relying on precise craftsmanship, superior airtightness, water tightness, and energy-saving performance, the products of Yanyi Group can meet the diverse needs of global customers, ranging from high-end customized options to economical choices, and have won widespread recognition. During the exhibition, the group acquired valid customers from more than 70 countries.
