THE SUMMARY AND COMMENDATION CONFERENCE OF YANYI GROUP FOR THE FIRST HALF OF 2024 CAME TO A SUCCESSFUL CONCLUSION.

On August 23rd, Yanyi Group held its much-anticipated semi-annual summary conference. This time, all employees of the group, colleagues from branches across different regions, and those from off-site project departments participated in the conference both offline and online, reviewing and taking stock of the highlights and achievements of the first half of the year together.

"The journey ahead is as formidable as the iron-clad passes of old, yet now we stride forward to start anew." Over the past six months, the group has actively innovated its business models and won several major projects. All teams have performed outstandingly, demonstrating strong execution capabilities and cohesion.

At the conference, the group rewarded those "warriors" who had fought bravely with generous bonuses and excellent benefits. Holding their bonuses in their hands, everyone cheered to summarize the glory of the first half of the year and also sounded the clarion call for the new journey in the second half of the year.

YANYI INTERNATIONAL TRADE HAS OFFICIALLY SIGNED A PROJECT CONTRACT WITH A CUSTOMER FROM AZERBAIJAN.

From the initial contact to the in-depth project negotiations, both sides have taken every step steadily and firmly. During this process, the group has won the recognition of the client with its meticulous service, outstanding professional capabilities, and rigorous and efficient attitude. International engineering projects usually have a long cooperation cycle. After comprehensive and in-depth interactions, the Azerbaijani client finally signed an official cooperation agreement with Yanyi Group on August 9th. The group will surely shoulder this responsibility, go all out, carry out elaborate designs, and organize construction to ensure that a satisfactory result is presented to the Azerbaijani client. In the future, both sides will take this cooperation as a solid foundation, actively explore broader and deeper cooperation areas, and jointly create a new win-win situation.

THE EMPLOYEE TEAM-BUILDING ACTIVITY OF YANYI GROUP IN 2024 WAS SUCCESSFULLY HELD.

On August 24th, with the refreshing autumn weather, more than 300 "iron army warriors" of Yanyi Group gathered in an orderly manner and set off together for the team-building trip. The "Decisive Battle on Cangyan Mountain" tempered our willpower, and the "Passionate African Drums" released our vitality. Everyone actively participated, immersed themselves in it, and enjoyed the relaxation and joy. Activities such as forming tribes, climbing the mountain in groups, and team games made the on-site atmosphere extremely enthusiastic. Colleagues are partners at work, and they turned into tacit teammates during the activities. The warmth and harmony of the Yanyi Iron Army were written all over everyone's faces, and the quality and cohesion of the team were demonstrated in every action and cooperation. Wherever there are members of Yanyi Group, the strength of Yanyi can be seen!

THE STUDENT AID ACTIVITY FOR THE CHILDREN OF YANYI GROUP EMPLOYEES WAS SUCCESSFULLY HELD

The chirping of cicadas brings good news, and the group joyfully welcomes the children of its employees who have successfully passed the college entrance examination and been admitted to universities! On August 17th, Yanyi Group and Yanyi Love Charity Foundation organized the "2024 Student Aid Activity for Employees' Children" to help these children pursue their dreams. The group thoughtfully prepared suitcases, backpacks, and tuition assistance funds for the students who are about to enter universities, expressing its best wishes for the children's future. The group has demonstrated the warmth and strength of a "family" through its actions, showing the social responsibility and commitment of the enterprise! As members of the big Yanyi family, we feel extremely proud and happy!

LEADERS OF CHINA CONSTRUCTION SIXTH ENGINEERING DIVISION CORPORATION LIMITED VISITED YANYI GROUP FOR A TOUR AND COMMUNICATION.

On August 8th, Yanyi Group welcomed the leaders of China Construction Sixth Engineering Division Corporation Limited for a visit. The two sides jointly explored the cooperation models for door, window, and curtain wall businesses, and exchanged achievements and experiences in aspects such as technological innovation and quality control. From the inspection of the production line to the product display, the leadership team of China Construction Sixth Engineering Division Corporation Limited highly recognized the professional strength and rigorous attitude of Yanyi Group. This visit marks a solid step forward in the strategic cooperation between the two sides. Both sides look forward to achieving complementary advantages and resource sharing at an early date through close collaboration, promoting the establishment of higher benchmarks for both in the industry, and realizing the long-term goal of mutual benefit and win-win results.

LEADERS OF YJL HOME BUILDING MATERIALS CO., LTD. VISITED YANYI GROUP FOR INSPECTION.

YJL Group is a globally leading expert in providing integrated service solutions for comprehensive home building materials and engineering projects. On August 10th, the leadership team of YJL Group carefully observed various products of Yanyi Group and had in-depth exchanges on the group's product strategy, product design concepts, quality control systems, etc. At the same time, the senior leaders of both sides also conducted detailed discussions on the development strategy, operation mode, and management system of Yanyi Group. Through these exchanges, the two sides have continuously strengthened their deep mutual trust, laying a solid foundation for future cooperation, and they are full of expectations for the prospects of cooperation.
