MAJOR EVENTS OF THE YEAR

ANNUAL HIGHLIGHTS

DECEMBER

ON DECEMBER 2ND, YANYI GROUP SIGNED A CONTRACT WITH CHINA GEZHOUBA GROUP CO., LTD. AGAIN.

Since the beginning of this year, our company has continuously deepened its cooperation with China Gezhouba Group Co., Ltd. On December 2nd, the two sides signed a cooperation contract worth 12.826 million yuan for the curtain wall project of the public kindergarten and neighborhood center in the Fan-zhuang Resettlement Area of Baoding Phase II. China Gezhouba Group Co., Ltd. is a key subsidiary of China Energy Engineering Group Co., Ltd., a Fortune Global 500 company. It is a well-known infrastructure investment, construction and operation company and a leading enterprise in the "Belt and Road Initiative". In the project cooperation between our company and Gezhouba Group, mutual understanding and trust have been continuously enhanced. In the new year of 2024, there will surely be broader room for cooperation between the two sides.

ON DECEMBER 4TH, THE GROUP'S WAREHOUSE WORKSHOP UPGRADING SPACE DELIVERY CEREMONY WAS SUCCESSFULLY HELD.

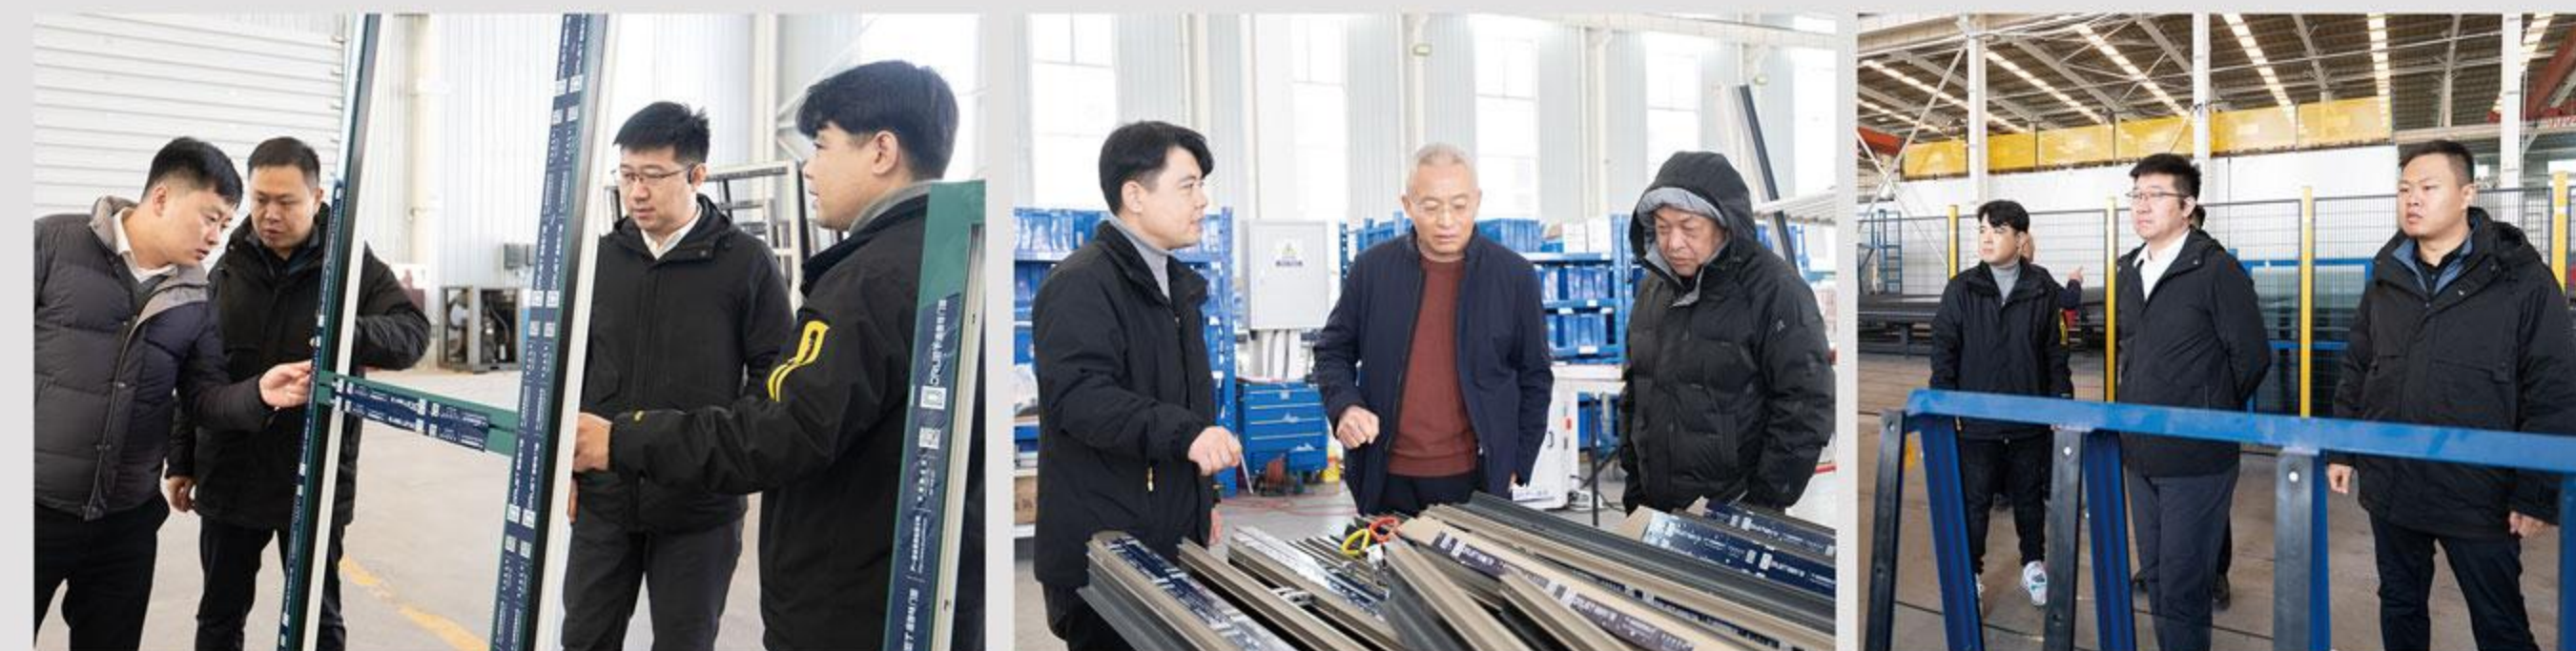

The upgrading and expansion of the warehouse workshop is a forward-looking infrastructure measure taken by the group to meet the needs of business development and improve the functional configuration of the factory area. This upgrading and expansion has substantially enhanced the group's production, warehousing and transfer capabilities, laying a hardware foundation for the group to build a production base integrating research and development, production, assembly, testing and transfer. It will also further enhance the group's asset strength and improve its external image. With the support of the warehouse workshop, the group will surely be able to meet the comprehensive challenges brought about by the improvement of its business performance with greater turnover capacity.

ON DECEMBER 5TH, A GROUP OF LEADERS FROM CHINA CONSTRUCTION EIGHTH ENGINEERING DIVISION CORPORATION LIMITED VISITED YANYI GROUP.

Large central enterprises have always been an important part of our company's customer base. China Construction Eighth Engineering Division is a key customer of our company, and there is a solid cooperation foundation between the two sides. This time, the leaders of China Construction Eighth Engineering Division visited our company. They once again highly praised our company's continuous and rigorous R & D, production and comprehensive construction capabilities, further strengthening the confidence in long-term and in-depth cooperation between the two sides. The two sides also exchanged views on future project cooperation opportunities. Through this exchange, a solid foundation has been laid for our company to lock in the achievement of the strategic goals of engineering business for the new year in advance.

ON DECEMBER 11TH, THE YANYI FAMILY LOVE CHARITY FOUNDATION LAUNCHED THE "CARING FOR EMPLOYEES, WARM WINTER ACTION".

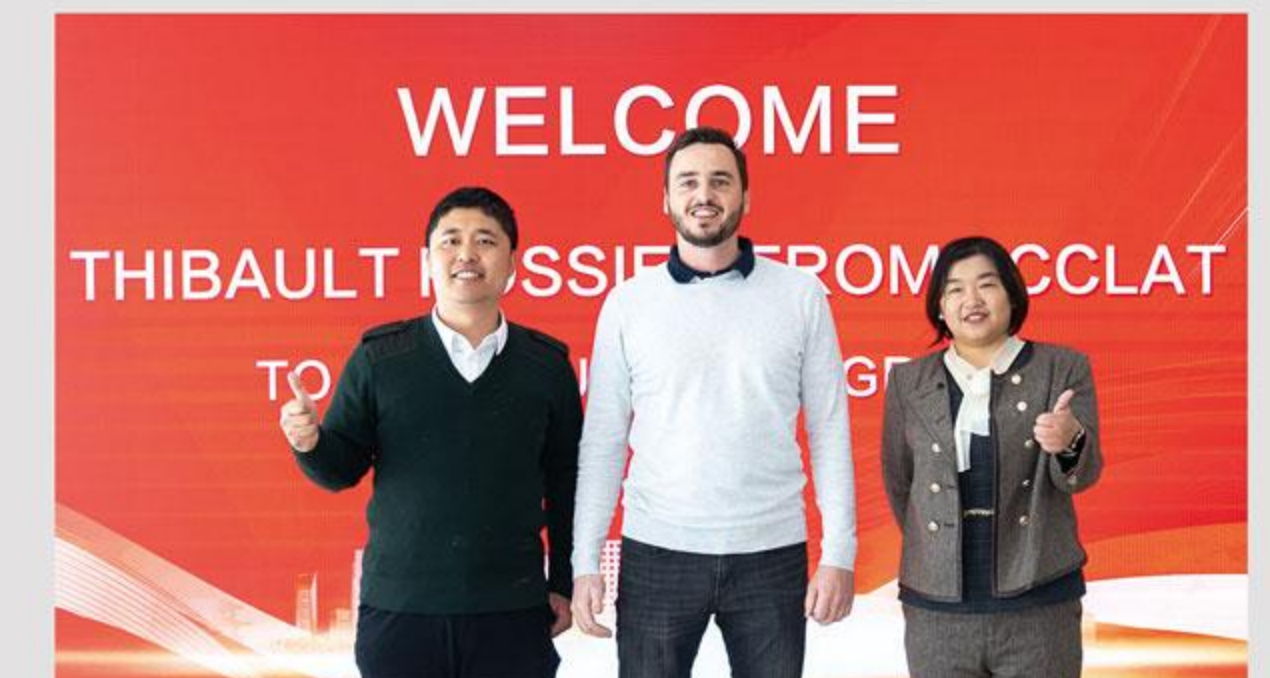

When the weather was getting colder, representatives of the foundation visited the families of the group's employees, bringing them warm winter clothes, gifts and condolence money. Through this Warm Winter Action, the connection between employees and the enterprise has been further strengthened. It once again reflects that Yanyi Group is an enterprise with "warmth". It also shows that while the group is developing rapidly, it will not forget every employee who has made contributions.

ON DECEMBER 20TH, SWISS CLIENTS VISITED THE ENTERPRISE.

With the development of the group's international business, clients from all five continents have come to Yanyi Group for international business cooperation. Switzerland is a developed European country and a consumer of high-quality products. The visit of Swiss clients is of great significance for the continuous expansion of our company's products in the European market. During the visit and negotiation process, the clients highly praised the functions and quality of our company's products, and spoke highly of our company's investment in product research and development, quality control, and efficiency improvement. They also expressed their willingness to reach a cooperation agreement with us as soon as possible and look forward to long-term and extensive cooperation with our company!

ON DECEMBER 21ST, THE PRODUCTS OF YANYI GROUP FOR THE INTERNATIONAL INSPECTION EXHIBITION WERE COMPLETED IN PRODUCTION AND SHIPPED.

With the development of the group's international business, our company has completed the research, development and trial production of products targeted at the international market, and is now in a period of comprehensive market expansion. In line with the development strategy of international business, our company is making various preparations for participating in the IBS International Building Materials Exhibition in the United States at the end of February 2024. Currently, all the exhibited products have been fully produced and will be shipped to the Las Vegas International Convention Center in the United States. Let's look forward to the brilliant performance of Yanyi Group at the international exhibition. We also hope that Delute Doors and Windows can bring a wonderful experience of Chinese high-quality building materials to an increasing number of international end-users and engineering customers!
