ON OCTOBER 13TH, WITH THE SUPPORT OF THE WOMEN'S FEDERATIONS AT THE PROVINCIAL AND MUNICIPAL LEVELS, YANYI GROUP ESTABLISHED THE "WARMTH IN THE LAKE CITY" LOVING HEART FUND FOR ASSISTING CHILDREN, DONATING 200,000 YUAN PER YEAR!

On October 13th, the chairman of Yanyi Group and relevant leaders of the group participated in the Symposium and Promotion Meeting on the Women's Volunteer Care Service of "Caring Surrogate Parents" in Hebei Province. The meeting was organized by the Women's Federation of Hengshui City. Provincial Party Committee leaders, municipal Party Committee leaders, chairwomen of Women's Federations from various counties, urban areas, representatives of volunteers, representatives of children in difficult situations, and caring individuals from the society participated in the promotion meeting. Zhang Lin, Chairwoman of the Women's Federation of the city, announced the establishment of the "Warmth in the Lake City" Loving Heart Fund for Assisting Children and presented plaques to the enterprises that donated to the fund. This marks that the Yanyi Family Loving Heart Foundation will continuously pay attention to the cause of assisting children in difficult situations, enabling more children to have a healthy and happy growth environment and development opportunities. At the same time, it also marks that the Yanyi Family Loving Heart Foundation will engage in charitable causes in a more standardized, regular, and long-term manner.

ON OCTOBER 10TH, THE GROUNDBREAKING CEREMONY FOR THE SMART DOORS AND WINDOWS EXHIBITION CENTER PROJECT OF YANYI GROUP'S NORTH CHINA PRODUCTION BASE WAS SUCCESSFULLY HELD TO CELEBRATE ITS COMMENCEMENT.

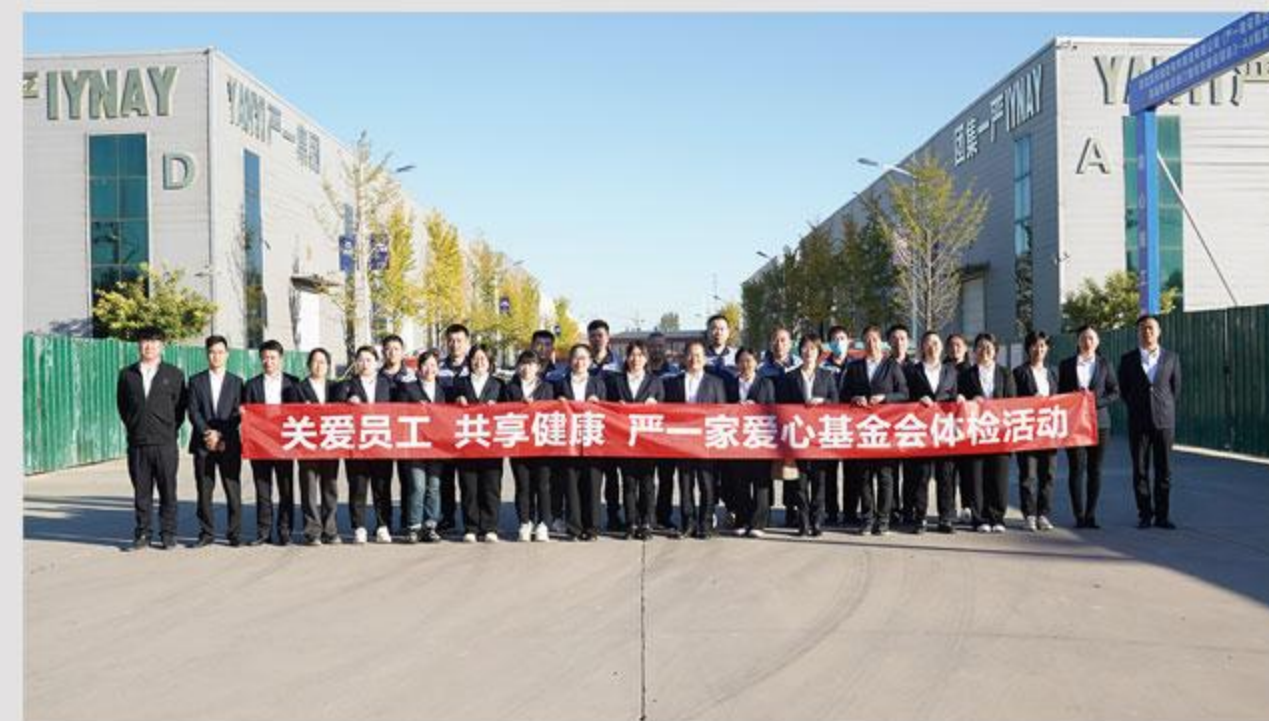

The Smart Doors and Windows Exhibition Center is a multifunctional comprehensive exhibition hall that integrates exhibition, research and development, communication, and culture. In the future, with its rich exhibition themes and novel display forms, it will fully showcase the culture of smart doors and windows and scientific and technological achievements. As an important part of the group's landmark building and brand image, the Smart Doors and Windows Exhibition Center will become a new highlight in the group's development. It will provide customers with a higher-quality experience, empower cooperation units across the country, enhance market competitive advantages, and comprehensively advance the new journey of the development of Yanyi's intelligent manufacturing industry!

ON OCTOBER 17TH, THE KICK-OFF MEETING OF THE DIGITAL OFFICE PLATFORM PROJECT BETWEEN YANYI GROUP AND WEAVER NETWORK WAS HELD.

With the advancement and implementation of Yanyi Group's informatization planning, the Digital Office Platform project between Yanyi Group and Weaver Network was officially launched. The launch of this project will promote the more comprehensive application of the group in aspects such as information sharing, intelligent approval, and knowledge management. It will serve as the group's informatization platform to connect with various professional system software. Employees at all levels and positions within the group only need to log in to one platform to browse and handle various office tasks. This project will greatly improve the office efficiency of the group's employees and become an important online work assistant for employees at all levels.

ON OCTOBER 20TH, THE YANYI FAMILY LOVING HEART FOUNDATION ORGANIZED A PHYSICAL EXAMINATION ACTIVITY FOR VETERAN EMPLOYEES.

While Yanyi Group is developing steadily, it pays even more attention to the health and development of its employees. The Loving Heart Foundation of Yanyi Group organized this physical examination activity, enabling employees to have a better understanding of their physical conditions, and carry out targeted prevention and improvement measures. In this way, employees can truly be responsible for themselves, their families, and the enterprise.

FROM OCTOBER 23RD TO 27TH, THE INTERNATIONAL TRADE TEAM OF YANYI PARTICIPATED IN THE CANTON FAIR AND ACHIEVED FRUITFUL RESULTS.

In order to welcome merchants from all over the world, the international trade division of the group participated in this Canton Fair with a specially decorated booth, comprehensively showcasing the enterprise's strength and product advantages to global merchants.

This time, the group took doors, windows, and glass as its main products and participated in the exhibition by integrating online and offline methods. It attracted and received more than 10,000 person-times of merchants and developed more than 200 new customers in total. Through this exhibition, the group's exposure has been further enhanced. The company's products were displayed on-site for customers, and sufficient interaction and communication with customers were carried out, laying a solid foundation for the expansion and layout of the group's overseas market channels.

ON OCTOBER 26TH, YANYI GROUP DONATED LOVE-SYSTEM DOORS AND WINDOWS WORTH 160,000 YUAN TO THE HENGSHUI CITY HOME FOR DISABLED VETERANS.

Showing concern for the Home for Disabled Veterans and bringing warmth during the cold winter! When the leaders of the group learned that the demand for doors and windows in the Rongjun Building of the Hengshui City Home for Disabled Veterans had not been fulfilled, they immediately made a decision: Yanyi Group was willing to donate system doors and windows worth 160,000 yuan to the Hengshui City Home for Disabled Veterans free of charge, bringing warmth to the retired veterans in the Home and improving their living conditions. The Bureau of Veterans Affairs of Taocheng District expressed its great gratitude for our company's donation. Cui Hongshun, Secretary of the Party Leadership Group and Director of the Bureau, personally attended the donation ceremony and presented a plaque for the group's loving donation. In his speech, he fully affirmed this act of kindness of our company, which effectively alleviated the shortage of facilities in the Home for Disabled Veterans and set an example for the whole society to care about and support the work of providing for objects of special care and preferential treatment.

ON OCTOBER 28TH, CUSTOMERS FROM MONGOLIA PAID A VISIT TO YANYI GROUP.

Those who share the same aspirations will not be deterred by mountains and seas. The customers from Mongolia traveled a long distance to visit the Hengshui production base and the Beijing sports venue project. They highly praised our strength, product quality, and service, stating that they were deeply impressed by this inspection, which laid a solid foundation for the cooperation between the two parties.

FROM OCTOBER 28TH TO 30TH, THE GROUP ORGANIZED AN AUTUMN TOURISM ACTIVITY FOR VETERAN EMPLOYEES.

This activity is a welfare event organized by the group for veteran employees who have been with the company for more than five years. It is not only a way to express gratitude for their years of hard work, dedication, and loyalty, but also a manifestation of deep respect for them. Yanyi Group has always adhered to the concept of "people-oriented", caring about the growth and development of every employee. The group hopes that every employee can stay with the company for the long term and become one of the veteran employees. The group will continue to provide more benefits to those veteran employees who share the same fate and breathe with the company.
