ON SEPTEMBER 12TH, A GRAND CELEBRATION WAS HELD TO MARK THE ESTABLISHMENT OF YANYI GROUP'S HEBEI HEADQUARTERS AT THE ICC GLOBAL INTELLIGENCE CENTER.

The establishment of Yanyi Group's Hebei headquarters at the ICC Global Intelligence Center signifies the opening of a brand-new chapter in the group's development! The joyous relocation to the new Hebei headquarters not only establishes a fresh image for the group and expands its influence but also injects new momentum for its sustained growth.

With the Hebei headquarters as its foundation, the group will more swiftly and to higher standards attract talents from various professional fields to bolster its team strength. It will enjoy more convenient transportation conditions and a higher standard of office environment to showcase the group's capabilities. Standing on this new platform, it will bring forth more business opportunities and is poised to usher in the next period of rapid development for the group.

ON SEPTEMBER 28TH, THE YANYI GROUP SEPTEMBER 2023 PERFORMANCE RECOGNITION CONFERENCE WAS HELD AS SCHEDULED.

In summary, commendation inspires the advanced, and millions in cash rewards the meritorious! This month's recognition and rewards totaled several million yuan in value. The high standards and substantial rewards of each group commendation fully demonstrate the group's robust strength and the chairman's deep affection for the meritorious members. Yanyi Group consistently maintains its goals, standards, responsibilities, results, and rewards, with a results-oriented approach, steadfastly adhering to its original aspirations and unwavering development philosophy, continuously forging a new phase of high-quality development for the group!

ON SEPTEMBER 15TH, YANYI GROUP SIGNED A STRATEGIC COOPERATION AGREEMENT WITH HEBEI XIECHANG INVESTMENT GROUP.

The signing of the strategic agreement marks the beginning of a deeper collaboration between the two parties, following their cooperation on the Wuji Leather Post-Processing Circular Economy Industrial Base project. The agreement is founded on the principle of achieving mutual complementarity of strengths, resource sharing, and joint development, actively exploring new avenues and models for cooperation. In the future, the two parties will engage in strategic collaboration on investment and financing businesses, providing robust support for the development of the new Wuji.

ON SEPTEMBER 18TH, THE GROUNDBREAKING CEREMONY FOR THE INNOVATION AND UPGRADING OF YANYI GROUP'S NORTH CHINA PRODUCTION BASE AND THE EXPANSION PROJECT OF

The Workshop E facility, with a total construction area of 3,536 square meters and a total investment exceeding ten million yuan, is set to be completed within a 4-month construction period and is expected to be operational before the Spring Festival of 2024. It is dedicated to creating high-end intelligent system doors, windows, and curtain wall products. The commencement of Workshop E's construction signifies another innovative step and breakthrough in the group's industrial development, further refining and strengthening the group's industrial chain, enhancing the enterprise's scale and supply capacity, bolstering the group's hardware capabilities, and expanding the company's development prospects, thereby solidifying the foundation for the group's continued growth!

ON SEPTEMBER 27TH, THE "YANYI FAMILY LOVE FOUNDATION" WAS OFFICIALLY ESTABLISHED.

With a legacy of compassion that spans over a decade, the "Yanyi Family Love Foundation" was officially established on September 27, 2023. The inception of the Love Foundation signifies the group's commitment to a more sustained, comprehensive, focused, systematic, and scaled approach to public welfare initiatives, aimed at giving back to society and the group's internal staff. The foundation's inaugural meeting passed resolutions for social benevolence, including: donating to support education, contributing to educational institutions, aiding impoverished students, families in need, and disadvantaged groups within society. For the group's internal employees, the resolutions encompassed: targeted assistance for staff facing family hardships, rewards for employees' children attending university, and consolation funds for employees' parents, among other welfare policies.

ON SEPTEMBER 20TH, YANYI GROUP'S CHARITY EVENT MADE ITS WAY TO THE HENGSHUI VETERANS HOME.

On the eve of National Day, Yanyi Group, with a heart for the veterans who have contributed to the construction and defense of the motherland, brought the Yanyi Family Love Foundation to the Hengshui Veterans Home. Upon understanding the conditions at the Veterans Home, Yanyi Group, aiming to improve the living environment for the elderly residents including retired military personnel and disabled veterans, generously provided free services to seal balconies and replace doors and windows at the Veterans Home, offering support to this honorable community.

ON SEPTEMBER 23RD, LEADERS FROM CHINA GEZHOUBA GROUP VISITED YANYI GROUP FOR A TOUR AND INSPECTION.

The delegation from Gezhouba Group toured the production workshops and the doors and windows exhibition hall of our group, and they expressed full affirmation of the technical capabilities and production capacity that our group possesses. This visit has once again solidified the confidence in cooperation between both parties and laid the groundwork for further in-depth collaboration.
